Hi! I'm Justin Holt

Who I Am and What I Do

I am a talented Interactive Designer/Developer located in Charlotte, North Carolina. With more than 10 years experience in developing web-based interactive and social media tools and applications, I have provided solutions for a diverse selection of enterprise, e-commerce, and brick-and-mortar storefronts, as well as incubate and lead interactive e-marketing and social media programs for those clients. I strive to build sites that are engaging and effective.

I am currently serving as Interactive Director for Heels.com in Charlotte, NC.
I also provide consulting and contracted interactive services to select clients.
